To promote a culture of Research and Development and close involvement with the design and implementation of technology solutions for various real life problems.

**About IEG:** The institute of Electronic Governance (IEG) is a non-profit organization created by the Department of Information Technology and Communication (IT & C). Government of Andhra Pradesh, to offer quality human resources and services both to the IT Industry and the government, and in the process bridge the gap between Government, University and Industry.

To realize its vision IEG has acquired the necessary key human resources a team of highly qualified, skilled individuals, while also mustering strong support from educational institutions, corporate society and a committed state government.

In recognition of the potential role to be played in e-Governance, human resource development and promotion of IT-industry, the Andhra Pradesh Government in its ICT policy for the next five year (2005-2010) gives a prominent role to IEG and its various programs such as Jawahar Knowledge Center(JKC).

**Objectives of Jawahar Knowledge Center:** To promote the Government – University – Industry interaction.

To provide a conducive environment for learning by doing in colleges.

To promote the dissemination of knowledge fostering the innovative thoughts of the students.

To develop and deploy e-Governance applications in a cost-effective manner, thus upgrading the quality of life of the citizens.

To empower students living in the rural areas so as to bridge the Urban-Rural divide.

To undertake research and apply these fruitful results to the benefit of the society.

To produce readily employable graduates by imparting industry grade skills.

**Programs Offered through JKC:**

Campus Placement Mission (CPM): IT & ITES industry is generating new opportunities everyday to meet its global demands CPM functions as a “Gateway to the corporate world” for prospective professional graduates by bringing awareness of skills required by the industry, assessing their skills & suitability for placements and organizing campus placements.

Campus Placement Related Skills (CPRS): Modeling the students to the perspective of corporate community is the main objective of CPRS. It is a training program that brings out and strengthens their inherent skills, plus equips them with employable skills that are missing.

Half dozen of our students are selected through this JKC and are going to join INFOSYS, SATYAM, HCL, WIPRO, HELLO Computer research.
