

**GOKULA KRISHNA COLLEGE OF ENGINEERING- SULLRPET**  
(Affiliated to JNTUA Ananthapuramu and approved by AICTE, New Delhi)

**3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and the impact thereof during the last five years.**

**Response:**

GKCE organizes a number of extension activities to promote the institute-neighborhood community to sensitize the students towards community needs. The students of our college actively participate in social service activities leading to their overall development. As per the JNTUA R19 syllabus, the students do Socially Relevant Projects every semester which makes the students socially responsible. Our students mainly focus on supporting people with disabilities and tackling energy and water issues. Recently our students submit a proposal to recycle the wastewater of our college.

Every year, under NSS blood donation camps, are organized on the campus of GKCE. During the pandemic Period, mega vaccination camps were conducted to make all students vaccinated and lead to a healthy life. Regularly our college students are participating in election campaign work. The NSS unit of GKCE organized an awareness program regarding Voter enrolment with the help of Sullurpeta Municipal Authorities on 7-10-2021. Students were made aware that users can avail and access the Electoral list, apply for Voter ID, And track the status of applications on this portal. They were motivated to register and urged to pass this knowledge among their friends and relatives.

The NSS unit of our college in collaboration with the Special Enforcement Bureau (SEB) personnel observed the International Day against Drug Abuse and Illicit Trafficking on 26th June 2022 in a befitting manner by organizing awareness generation campaigns, conducting elocution & Essay writing competitions, holding Seminars and conducting rallies, etc. A Rally to create awareness about the ill effects of drugs was organized to reach the masses on 25-6-2022. Continuous voluntary activities like swatch Bharath are organized by students to maintain cleanliness in and around the Campus and create awareness about the role of clean environment in human health.

All these mentioned activities have a positive impact on the students and it developed student community relationships, leadership skills, and self-confidence of students. It also helped in cultivating the hidden personality of students and created awareness among students.

**3.4.2 Awards and recognitions received for extension activities from government / government recognised bodies**

**Response:**

Two projects ("Energy Harvesting in Speed breakers using Piezoelectric Sensors" (ECE Department) and "Wind Chill Refrigeration with Evaporative Cooler"- (Mechanical Department)) of Gokula Krishna College of Engineering, Sullurpet have been sanctioned the total fund of Rs. 81500/- by the Andhra Pradesh State Council of Science & Technology-Vijayawada. Utilization of waste energy of pressure power with vehicle locomotion is very much relevant and important for highly populated countries like India where the transportation by land is overcrowded all over. "Energy Harvesting in Speed breakers using Piezoelectric Sensors": This project is based on the power generation through speed breakers using piezoelectric sensors. Piezoelectric materials can take mechanical stress and convert it to electrical energy. Piezoelectric Crystals(PZT) with harvester circuit (LTC3588) will be placed on speed breakers of roadways and transducers will be placed near roadside. ATMEGA328P Microcontroller is used to monitor the energy harvesting and to display the amount of energy

being saved. By implementing this project, we get a sufficient source of voltage to energise the street lights.

“Wind Chill Refrigeration with Evaporative Cooler”-Nature gave the idea of architecting the design of a refrigerator adapted from the flora and fauna of our ecosystem to the mechanical team of GKCE. The conceptual model of food preservation unit is called wind chill refrigeration. This is the concept of wind chilled cooling from evaporation of water; the model is made up of copper tubes and acrylic boxes. The food is stored in a thermal box (thermos insulated container).

Students team lead by Mrs. M. Gnana Priya Won best innovative idea for the paper “SOLAR POWER HARVESTING IN MEDIUM EARTH ORBIT” in the National conference LAMSYS-2016 conducted by SDSC, SHAR, Sriharikota.

Students team lead by Mrs. M. Gnana Priya Won the best innovative idea for the paper “Energy harvesting from the vibrations of Space Vehicles” in the National conference LAMSYS-2018 organized by SDSC, SHAR, Sriharikota in Satyabhama University, Chennai

Students team lead by Mrs. Dhanalakshmi Won best innovative idea for the paper “Self-healing circuits for space applications” in the national conference LAMSYS-2018 organized by SDSC SHAR, Sriharikota in Satyabhama university, Chennai.

Students team lead by Mrs M. Gnana Priya won the III prize in the design competition of world space week 2021 SDSC, SHAR, Sriharikota.

## GKCE-NSS UNIT

### CIRCULAR

F8/NSS/GKCE/2022-3

Date: 22/06/2022

Sub: NSS- Observance of **International Day against Drug Abuse and Illicit Trafficking** on **26<sup>th</sup> June, 2022** – reg.

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse. Alcoholism and other substance abuse disorders are rapidly becoming a global health hazard among the youth. Unless efforts are taken to arrest and hurdle over such abuse of drugs, it can head lead to increased suicides especially among the student community who are the promise of a Nation. Education is the only means to check all these unhealthy issues in our campus and society.

This is to inform that our college in collaboration with Special Enforcement Bureau (SEB) personal has decided to observe the International Day against Drug Abuse and Illicit Trafficking on 26<sup>th</sup> June 2022 in a befitting manner by organizing awareness generation campaigns, conducting elocution & Essay writing competitions, holding Seminars and conducting rallies etc. The following events are planned in the specified dates.

1. Seminar on checks for Drug peddlers by the S E B personal: 24-6-2022
2. Rally to create awareness about the ill effects of drugs to reach the masses: 25-6-2022
3. Conduct of Elocution & Essay Writing on ill effects of drugs: 25-6-2022

All students of GKCE are invited to register for Elocution & Essay Writing competition to Mrs. SJM Rita Assistant professor on or before 23-6-2022.

### **REPORT ON VOTER REGISTRATION AWARENESS PROGRAM 7-10-2021**

Gokula Krishna College of Engineering organized an awareness program regarding Voter enrolment with the help of Sullurupeta Municipal Authorities on 7-10-2021. The aim of the program is to promote voter literacy and to enrol to get the Voter ID. The Municipal authorities addressed First and Second Year Engineering students and Third Year Diploma students. Sullurupeta Tahsildar and Deputy Tahsildar interacted with the students and educated them regarding exercising their Franchise.

The officials also talked about the introduction of NVSP portal- Online session. Students were made aware that user can avail and access the Electoral list, apply for Voter ID, track status of application on this portal. They were made to register and urged to pass this knowledge among their friends and relatives.

## **ABSTRACT**

The area of our project is the planning and designing of waste water treatment plant in GokulaKrishna College of Engineering, Sullurupeta. Reverse Osmosis plants, when purifying water, send out a lot of water unfit for drinking as refuse water. As a result, lot of water is wasted in the college campus in the form of refuse water from RO plant. During summer season, availability of water for gardening and watering plants inside the campus is very less. So, the main objective of this project is to reduce the demand for usable water for gardening by generating new source by reusing refuse water from the RO plant.

Waste water treatment process is designed to achieve improvements in the quality of waste water. Waste water treatment is closely related to the standards and expectations set for the effluent quality. The campus requires a huge amount of water for different purposes like cleaning, gardening etc. So to fulfill the demand of water, we work on treatment and reuse of waste water generated in college departments and hostel. Thus it reduces the load over water requirement and to reduce the demand of water, waste water is treated and then it is utilized.

## స్వశక్తితో ఇంధన రహిత కార్లు

### వేధిత, కిరణ్మయిరెడ్డి

సాధారణంగా ఎలక్ట్రిక్ వాహనాల బ్యాటరీల సామర్థ్యం కొద్ది దూరం ప్రయాణించేందుకు ఉపయోగపడతాయి. వాహన తయారీదారులు వాహనాల్లో ఇంటర్నల్ కంబజిన్ ఇంజిన్‌ను ఏర్పరుస్తారు. ఈ ఇంజిన్లు సంప్రదాయ ఇంధనాన్ని ఉపయోగించి బ్యాటరీలను ఛార్జింగ్ చేస్తుంటాయి. వాతావరణ కాలుష్యాన్ని తగ్గించేందుకు స్వశక్తితో నడిచే కారు తయారీకి ఫీజో ఎలక్ట్రిక్ టైర్లను ఉపయోగిస్తారు. ఈ టైర్లు నడిచే సమయంలో ఉత్పత్తి అయ్యే ఒత్తిడిని విద్యుత్తుగా మార్చి, దాని ద్వారా బ్యాటరీని ఛార్జింగ్ చేసుకోవచ్చు. దీంతో ఫీజో ఎలక్ట్రిక్ కేబుల్స్ ఉంటాయి. ఈ కేబుల్స్ లోపల ఫీజో ఎలక్ట్రిక్ జనరేటర్ ఉంటుంది. టైర్లు తిరిగినప్పుడు వాటిపై పడే ఒత్తిడికి అవి విద్యుత్తుని ఉత్పత్తి చేస్తాయి. ప్రస్తుతం ఇవి ప్రారంభ దశలోనే ఉన్నాయి. మరిన్ని పరిశోధనలు చేసి, వీటిని పూర్తిస్థాయి వినియోగంలోకి తీసుకొస్తే ఇంధన అవసరం ఉండదు. తద్వారా వాతావరణ కాలుష్యాన్ని పూర్తిగా నివారించేందుకు వీలుంది.

## **GOKULA KRISHNA COLLEGE OF ENGINEERING – SULLURPET**

### **NSS Activity**

Date : 08-01-2018

### **Report on the participation in JanmaBhoomi- MaaVooru (JBMV) Programme on 5<sup>th</sup> January, 2018**

The Government of Andhra Pradesh has organized a people centred development and welfare outreach programme called “Janmabhoomi – Maa Vooru” from 2<sup>nd</sup> to 11<sup>th</sup> January, 2018 throughout the state. Gokula Krishna college of Engineering, sullurpet had an opportunity to participate in the 4<sup>th</sup> day of celebration. The Theme of the day was “Education”.

NSS students of GKCE along with the faculty coordinators participated in JBMV-2018 at Gopalareddypalem village, sullurpeta on 5<sup>th</sup> January, 2018. Program was organized by the RDO, MRO, Surpunch and other officials. The program started with prayer song by the primary school children. Honorable Chief Minister’s message has been conveyed to the villagers. Janmabhoomi – Pledge has been taken by all. Health camps & Veterinary camps have been arranged.

Students of GKCE N. Geethika, B. Gayathri & G. Nikhila of III ECE have given speech on “the importance of education and schemes offered by the government to impart quality education to the students”. Students also helped the villagers to fill their applications for various grievances. This arrangement has made the our students to realize their responsibility to uplift their villages in all aspects.

A rally was also conducted on this occasion.

The National Service Scheme (NSS) was launched in 1969, the birth centenary year of the Father of Nation, by the Government of India. It is a voluntary association of young people, especially college students, to work for campus-community linkages. It aims at developing students' personality through community service.

The NSS unit at GKCE is advised to organize various activities like Blood Donation Camps, Literacy Classes for children of weaker sections, Leadership Workshops, Summer Camps, National Awareness Programmes, "Shramdaan" etc.

Date: 22/06/2022

Sub: NSS- Observance of **International Day against Drug Abuse and Illicit**

**Trafficking on 26<sup>th</sup> June, 2022 – reg.**

The International Day against Drug Abuse and Illicit Trafficking, or World Drug Day, is marked on 26 June every year to strengthen action and cooperation in achieving a world free of drug abuse. Alcoholism and other substance abuse disorders are rapidly becoming a global health hazard among the youth. Unless efforts are taken to arrest and hurdle over such abuse of drugs, it can head lead to increased suicides especially among the student community who are the promise of a Nation. Education is the only means to check all these unhealthy issues in our campus and society.

This is to inform that our college in collaboration with Special Enforcement Bureau (SEB) personal has decided to observe the International Day against Drug Abuse and Illicit Trafficking on 26<sup>th</sup> June 2022 in a befitting manner by organizing awareness generation campaigns, conducting elocution & Essay writing competitions, holding Seminars and conducting rallies etc. The following events are planned in the specified dates.

1. Seminar on checks for Drug peddlers by the S E B personal: 24-6-2022
2. Rally to create awareness about the ill effects of drugs to reach the masses: 25-6-2022
3. Conduct of Elocution & Essay Writing on ill effects of drugs: 25-6-2022

All students of GKCE are invited to register for Elocution & Essay Writing competition to Mrs. SJM Rita Assistant professor on or before 23-6-2022.
