

GOKULA KRISHNA COLLEGE OF ENGINEERING- SULLRPET
(Affiliated to JNTUA Ananthapuramu and approved by AICTE, New Delhi)

5.3.2 Average number of sports and cultural programs in which students of the Institution participated during last five years (organised by the institution/other institutions)

Date	Name of the Program	Name of the event	Winners
23-3-2019	Prasthan-2K19	Cricket	Sai Vishes I B. Tech. CSE & Team
		Valley ball	Madhava I B. Tech. ECE & Team
		Shuttle (boys- Singles)	Rohith I B. Tech. CSE
		Shuttle (Girls- Singles)	Lakshmi Prasanna-I B. Tech. ECE
24-12-2021	Prasthan-2k21	Cricket	V. Pavan III B. Tech. CSE & Team
		Tug of war (Boys)	Sai Vishes III B. Tech. CSE & Team
		Tug of war (Girls)	Sai Sruthilaya III B. Tech ECE & Team
8-1-2022	Mecharina	Valley ball	Akash III B. Tech. ECE & Team
		Cricket	
		Kho-Kho	Sai Vishes III B. Tech. CSE & Team
		Tug of war (girls)	Prasanna III B. Tech. ECE & Team
11-1-2023	Makar Sankranti	Traditional Dress Competition	Winners List (Boys): 1. G.G Vivek Kumar Reddy- I B. Tech. ECE 2. K. Srinivas Teja- II DEME 3. P. Akash- II DECE Winners List (Girls): 1. U. Chetna- I B. Tech. CSE 2. Sasikala. S - III B. Tech. CSE 3. A. Hemalatha –I B. Tech. CSE
		Kite flying	Y. Chandu, I DCSE P. Haswanth I DCSE SK.Sharief, I DEE G.Charan, I DME K.Manoj Kumar II DME P.Madhu, II DME
		Rangoli	Muthu Priya, II B.Tech. CSE Hema, II B.Tech. CSE Hemalatha, II B.Tech. ECE Madhurima, II B.Tech.ECE
26-11-2022	Constitution of India	quiz	Winners List: 1.Chiranjeevi N – III CSE 2.Ulava Gangothri Naidu- II CSE 3.P. Hansika- I CSE 4.N. Hari Priya- I CSE Runners List: 1. Teja Ram V- III CSE 2.Vandavasi Leelavathi-II CSE 3.Gayathri M- I CSE 4.Sailaja T- I CSE

Commented [gm1]:

22-12- 2022	National Mathematics Day	Mathematical Quiz	Bhavana -II B. Tech. ECE & Team
		Power Point Presentation (Topic: Recent Developments in Engineering Mathematics)	Vivek -I B. Tech. ECE
		Speech Competition (About the great Indian Mathematician Srinivasa Ramanujan)	Ms. Keerthikeswari-II B. Tech ECE

Report on Mathematics Day Celebrations-2022

Shikshak Parv -Teacher's Day is celebrated every year on 5th September to commemorate the birth anniversary of the former President of India Dr. S. Radhakrishnan, an accomplished scholar and academician. The idea behind the celebration of Shikshak Parv is to acknowledge the dignity of the Teaching Profession and contribution of Teachers in nurturing young minds and nation building.

The National Education Policy (NEP-2020) also advocates for restoring high respect for teachers and to inspire the best to enter into teaching profession.

As a part of Teacher's Day celebrations, Gokula Krishna College of Engineering-Sullurpet organized a host of activities between 5th to 9th September.

Calendar of activities for the Celebration to Commemorate Shikshak Parv-2022

S. No.	Date	Activity
1	05-09-2022	Felicitation of Faculty Members
2	06-09-2022	Screening of Educational Films
3	09-09-2022	Group Discussion

On 5th September Teachers who have shown exemplary results in the university exams of the Academic year 2021-22 odd semester were honoured by the principal by presenting the certificate of excellence. Principal, Vice Principal and heads of all Departments interacted with all faculty and the responsibilities of teachers to build the students career were discussed. Students team of I B. Tech. and II Diploma organized few fun events and sports where all teachers participated enthusiastically and winners were given prizes.

On 6th September all teachers watched and enjoyed the TEDx talk of Dr. Mariappan "Jawa" Jawaharlal (Dr. Jawa) in the AV hall-1 of GKCE.

Dr. Mariappan "Jawa" Jawaharlal (Dr. Jawa) is a Professor of Mechanical Engineering at Cal Poly Pomona. He is recognized as an outstanding educator for his innovative and engaging teaching pedagogy. He has received numerous honours including the Northrop Grumman Award for Excellence in Teaching and Innovative Educator Award. Dr. Jawa is well known for his hands-on, guided discovery approach. He is the founder of Robotics Education through Active Learning (REAL), a unique K-12 outreach program, which reaches thousands of students each year. Dr. Jawa helped develop the Femineer program that inspires young women about engineering and empowers them with real skills. He has over 20 years of industrial, academic and entrepreneurial experience, ranging from starting new engineering programs to product development and commercialization.

On 9th September A Group discussion on “Advantages and challenges of Teaching profession” was organized. Teaching is known as "a noble profession" because of the influence a teacher can have on children in general and those who will become tomorrow's leaders. But teaching may be noble because of the challenges teachers must deal with every day. 2 faculty from each department participated enthusiastically and had a great time.

Conclusion:

In today's society, parents do not have enough time to spend with their children particularly who are in adolescent age to whom we are dealing with. As such, teachers have become the parents and mentors to most students. **To mitigate the side effects of teaching, teachers should ensure that they change their teaching practices regularly and always ensure that they challenge their students. In so doing, class sessions will always be enjoyable.**

Women Empowerment Cell/ Women's Grievance Committee

National Science Day is celebrated every year on February 28 in commemoration of the discovery of the 'Raman Effect' by the genius scientist Sir C.V. Raman. The Government of India designated February 28 as National Science Day in 1986. On this day, various science-related activities are organized in schools and colleges throughout the country, The theme for National Science Day, NSD 2023 is 'Global Science for Global Wellbeing'.

The Women Grievance Cell/Women empowerment Cell with the joint Co-organizers of Humanities and Sciences, GKCE combinedly celebrated National Science Day on 28th February 2023. Our Guest of Honour is Dr. R. Ramana Reddy, Vice-Principal, JNTUA College of Engineering, Pulivendula, and the college management person C. Sreenivasa Baba sir are being invited to encourage and motivate the student community by interacting on the topic "Global Science for Global Well Being".

Dr.R. Ramana Reddy, Vice-Principal, JNTUA College of Engineering, Pulivendula delivered a wonderful and very informative speech about science and technology and the projects done by our college students, on this occasion and inspired our students. C. Sreenivasa Baba sir acknowledge and thank the continuous and constant support from JNTUA for enriching our college's younger brains. Our college diploma, as well as engineering students, did many science-related projects.

For the best projects done by the students were received mementoes from our college Principal Dr. M. Suresh garu and Vice-Principal M. Gnan Priya madam.
