

GOKULA KRISHNA COLLEGE OF ENGINEERING- SULLRPET

(Affiliated to JNTUA Ananthapuramu and approved by AICTE, New Delhi)

6.2.1 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, deployment of institutional Strategic/ perspective/development plan etc

Response:

In GKCE, the functioning of the institutional bodies is effective and efficient. The institutional perspective plan aligns with the vision and mission of the institution which are the constant driving factors for improving academic quality policies and strategies. It is effectively deployed to focus on bringing quality improvements in the areas of:

1. Curricular Planning and Implementation
2. Teaching- Learning Processes
3. Research, Collaboration and Extension Activities
4. Academic infrastructural facilities
5. Student Support Activities and Student Progression
6. Internal Quality Assurance System
7. Institutional Values and Best Practices
8. Governance, Leadership and Management

At the beginning of the academic year, various bodies and committees that constitute the Organogram of the institution, chalk out the strategic plan of events and activities which will support the growth and development in these key areas and at the end of the year. The foundation has formed various committees at institute and department level for the effective functioning of the organization. The objectives and functions of the committees are organized according to the instructions of the head of the institution.

Institute Level Committees:

- Discipline Committee
- Anti-Ragging Committee
- Women grievance Cell
- Student Grievance cell Committee
- NSS Committee
- IQAC
- Alumni Activity Committee
- Entrepreneurship Development Cell (EDC) Committee
- Website Committee
- Examination Cell Committee
- Event Management
- Repair and Maintenance Committee
- Training for Placement
- NAAC Committee

One such broad area in which the Institutional Perspective and Strategic Plan has been successfully implemented is that of Teaching, Learning and Research. This has been achieved through the deployment of Action Plan for the following initiatives:

1. Introduction of innovative Add-on/Certificate Courses by the Add-on-Courses Committee
2. MoUs signed with Industrial sectors for training, development and placements.
3. Research Training workshops are organised for students to equip them with the latest research methodologies.
4. Symposiums and Seminars are organized by various departments to give an exposure to both faculty and students about the latest global trends in academics, industry, sciences and environment.

Implementation of e-governance in areas of operation

GKCE uses zenoxERP-college management system to implement e-governance in the following areas.

- Biometrics Integration
- Bus Attendance By QR
